

NORA DOMINGUEZ (BAKERSFIELD) is currently FIELD's Chief Operations Officer and has served on FIELD's Board of Directors for the past eight years. During Nora's previous employment with Bakersfield College and the University of La Verne that collectively spans her 20+ years in the education sector, she served as Regional Marketing Director, Admission and Corporate Education Specialist, Associate Director of Admissions, and as Regional Campus Director for the Kern County Campus in Bakersfield. She also collaborates with her husband in ownership of two local Small Businesses, Oasis Air Conditioning and Solar, Inc. and BND Property Solutions, LLC.

Dominguez grew up in Bakersfield and attended public schools thru high school. She graduated with her Bachelor's degree in Business Administration, earned her MBA with a concentration in Leadership & Management, and Doctorate in Organizational Leadership from the University of La Verne. She is also a graduate of Leadership Bakersfield and The HOPE Leadership Institute (Hispanas Organized for Political Equality).

Philanthropy is also important to Dominguez. She and her husband were founding board members of the Kern County Youth Mariachi Foundation. She currently serves as a board member for the California Student Opportunity and Access Program (Cal-SOAP), Farmworker Institute for Education and Leadership Development (FIELD), Hispanas Organized for Political Equality (HOPE), Mission Community Services – Women's Business Center, and Downtown Bakersfield Development Corporation. She is a member of The National Association of Professional Women and American Association of University Women.
