

Prop. 28 Arts & Music Annual Report

EPIC de Cesar Chavez was awarded \$74,156 to utilize for arts & music education for the 2023-2024 school year through the Prop. 28 Arts & Music funds. EPIC de Cesar Chavez has 3 years to utilize the funding and will be receiving additional funding in 2024-2025. We have not utilized any of the Prop. 28 Arts & Music funds in the 2023-2024 school year and we are in the process of putting together a plan for spending the funding in the 2024-2025 school year. Thus, we have not served any students using this funding allocation and we have not utilized the funds to pay for teachers or other staff. Once our plan is finalized, we will bring a report to our next board meeting.
